Many Hands Make for Less Work

There are many ways to serve:

- Prayer advocates
- Those trained (or willing to be trained) to share the Good News
- Tech-savvy Nigerians to moderate messages and post data
- Donor partners to invest locally and nationally
- Volunteers to mobilize and support teams

Extraordinary Prayer

Over the past 30 years, more movements of believers have formed than in the previous 15 centuries. One common thread: extraordinary prayer.

Will you join us in focused, intensive prayer for the unreached people and places in Nigeria?

ACHIEVE Nigeria

ERADICATING SPIRITUAL AND
BIBLICAL POVERTY FROM
EVERY VILLAGE IN THE NATION

A Church in Every Village
Everywhere in Nigeria

THE CHALLENGE

Where is the church not yet?

Researchers estimate there are at least 59,000 villages in Nigeria. But no one knows which villages have churches — and which do not.

Let's change that.

ACHIEVE Nigeria seeks to identify these gaps and ensure every village has the opportunity to hear the Good News.

WHERE WE BEGIN

Our Roots

ACHIEVE Nigeria springs from the Coalition of the Willing (COTW), a collaborative alliance working to determine where the church is — and where it isn't.

The Main Idea

By securely sharing data, the gaps become clear. Together, we can focus on the places where the church has not yet been planted.

Our Goal

A Church in Every Village Everywhere (ACHIEVE) in Nigeria.

HOW IT WORKS

Practical Steps

- Build friendships, listen, and learn
- Create a secure national map of every village in Nigeria
- Track areas of spiritual poverty
- Share the Good News freely and ethically

Target Areas

Nigeria is made up of regions of 500–2,000 villages. By identifying these Target Areas, we can mobilize churches, local agencies, and global partners to embrace them.

Together in Action

In each area, we will:

- Partner with local churches and agencies
- Pray together
- Share the love of Jesus with anyone who is interested
